

# Route Information System

## Key Routes

Key Routes are available  
in 2GB, 4GB and 8GB  
formats

## Key Routes

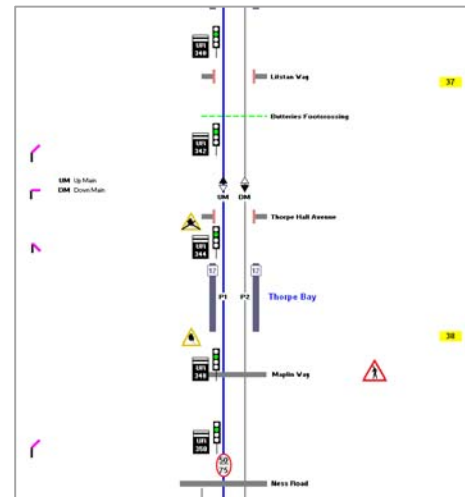

Key Routes are a convenient new way to store the Track Access Route Library and all your TA Route Learning Systems.

Easy to store and light weight Keys allow you to carry your TA Route Learning Systems everywhere you go.

Plug and Play into any computer or laptop using a USB port.

Full Route Learning Systems can be loaded onto the key for complete Driver Training Packages.

- Moving map synchronisation with video
- Index and easy access to route information
- All normal video controls + full screen replay
- No setup or licensing
- Allows copy and paste to other applications
- Works on all windows PC's with XP

*E Learning for the future*
